Subject: World Environment Day 2023, 5th June | Mission Madhuvan - to conserve and protect trees and plants.

We celebrated World Environment Day 2023, 5th June, with Asmita Law College students and faculty. The Asmita Law College is located in Vikhroli, Mumbai, India. It is affiliated with the University of Mumbai and is accredited by the Bar Council of India. The program was organized under the theme "Mission Madhuvan", whose objective are to Plant conserve and protect trees and plants.

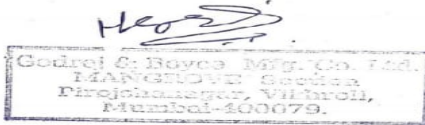

An informative session on Mangroves, Mumbai's second largest green lungs, conserved and managed scientifically, was conducted as part of the Mission Madhuvan program by the Godrej Mangroves Team. The purpose of this program was to educate students and faculty on the importance of protecting these important natural resources in conjunction with a clean-up drive for mangroves. With the intent of conserving and protecting the environment, we are planting trees as part of Mission Madhuvan.

You don't often get email from hvk@godrej.com. Learn why this is important

Dear Sharon,

5<sup>th</sup> June will be ok for our Mangrove visit.

Pl have a look below writeup on Dos and Donts for Godrej Mangrove Visit.

Welcome to Godrej mangroves, the second largest green lung of Mumbai, conserved and scientifically managed by the Godrej Group. This internationally acclaimed forest is a leading case study for symbiosis of nature and industry today. Godrej forest situated on the Western bank of Thane Creek shelters 16+ mangrove and mangrove associate plant species, 13 crab species, 7 prawn species, 20 fish species, 76 butterfly species, 206 bird species and a few mammal species.

To make your visit an enriching, enjoyable and safe experience, please ensure adhering to following guidelines:

- The program facilitator(s) will meet you at the pre-decided location. Please note entry to Godrej mangroves is permitted only with an authorized resource person.
- Please instruct your group members about educational purpose of the programme to ensure respectable decorum.
- Each participant must wear shoes, carry a water bottle and rainy wear (during monsoon). The group leader(s) should carry mosquito repellent as mangrove forest shelters more mosquitoes than other ecosystems.
- Each visitor must follow designated nature trails with the programme facilitator(s).
- Please do not touch any plant or animal spotted during nature trail. Do not explore plant canopy or soil on your own. Please bring all interesting observations to notice of the programme facilitator(s).
- Please ensure to save phone number of Godrej Mangrove office (022 67961097) or Godrej Security (022 67961212) to call for assistance in case of any emergency such as animal bite, fire, accident etc.
- A First Aid box is available with our security check post. Feel free to ask for it for any medical emergency.
- Please do not litter. Deposit your waste in assigned dust bins kept near the security check post and marine gazebo.
- Consumption of alcohol and tobacco is strictly prohibited within Godrej premises.
- Please park your vehicles only at the designated space indicated by the security guards or program facilitators to avoid road blocks or accidents.

Meeting point will be at Godrej Creekside colony main gate.
