(2 Hours)

[Total Marks: 60]

**N.B.:**

1. All Questions are compulsory.
2. Figures to the right indicate maximum marks.

Q.1. Answer in **not more than two sentences** any six of the following: [12]

a) "Did he ever speak to you about a cheque?"

Identify the speaker of the quoted question and the persons referred to as 'he' and 'you' in it.

b) "She asked for a cross. A soldier gave her two sticks tied together."

Who asked for a cross? From which prescribed text is the quotation taken?

c) "I suppose he is guilty. Can I possibly have made a mistake?"

What is the mistake committed and Who is supposed to have made it?

d) "Was there something about an alibi?"

Who is the speaker of the quoted question? What is an alibi?

e) "The first thing for you to understand is that in this place there are no martyrdoms."

What is the place referred to in the quotation? From which prescribed text is the quotation taken?

f) "Madam, the Court will not order you committed until the fine is paid."

Mention the person who will not be committed until the fine is paid. Who is the speaker of the quotation?

g) "If one race is inferior to the other socially, the constitution of United States cannot put them upon the same plane..."

Which case is referred in the above quotation? Who is the judge that delivered the above opinion of the court?

h) "The plaintiffs contend that segregated public schools are not "equal" and cannot be made "equal", and hence they are deprived of the equal protection of the laws."

Who is the plaintiff in the quoted case? Which prescribed case is referred to in the above quotation?

i) "The book is said to be an episode in a young Englishman's life without any real beginning or end." From which prescribed text is the quotation taken? What is the name of 'the book' referred to in the quotation?

j) "The constitution is not a jellyfish; it is a highly evolved organism."

What does the word 'jellyfish' mean in the context of the quotation? From which prescribed text is the quotation taken?

Q.2. Write short notes on any two of the following: [12]

- 1) Discuss the problems which the Greek Interpreter had to face on both occasions.
- 2) Significance of the title of the short story 'A Jury of Her Peers'.
- 3) Deficiencies in any of the given services from the prescribed 'Consumer Protection Law' chapter.
- 4) Any one of the Industrial Disasters as given in the prescribed 'The Direction of Environmental Justice' chapter.

Q.3. Select any two of the situational passages given below and answer the questions that follow: [12]

a) "The fact that the wife of the adulterer is expressly prohibited from prosecuting her husband is the only exception to the general rule that any one can set the criminal law in motion. The exception is based on an understanding of the very nature of the harm caused by adultery. Adultery is seen as a husband's property right over his wife; more specifically a husband's exclusive access to his wife's sexuality. It is not a violation of a wife's rights since she does not possess the same claim to her husband."

- i) Write in detail the fact and issues involved in the case?
- ii) Write the name of the socialist feminist whose criticism is given in the above passage?

b) "The difficult balancing made the court suggest three innovations. One, establishment of a neutral scientific expertise service to act as an information bank for the court as it 'had great difficulty in finding our independent experts who would be able to advise the court on these issues'. Two, an epistolary jurisdiction was adopted when a letter addressed in the name of an individual judge was considered enough to move the court in this case. Three, setting up of 'environmental courts' on regional basis was suggested."

- i) Write in detail the fact and issues involved in the case?
- ii) Mention the name of the case of the given passage.

c) "If a student who fails at any public examination could not be denied re-admission in the school or class then it is beyond comprehension as to how a student who passed the public examination can be denied admission in higher class in the same school from which he had appeared at such examination."

- i) Write in detail the fact and issues involved in the case?
- ii) Which type of deficiencies in services is being observed in the passage?

d) "Necessity would open a door which no man could shut. The plea would be an excuse for all sorts of wrong doing. So the court must, for the sake of law and order, take a firm stand. They must refuse to admit the plea of necessity to the hungry and the homeless, and trust that their distress will be relieved by the charitable and the good."

- i) Write in detail the fact and issues involved in the case?
- ii) Mention the name of the judge whose observation is given in the passage.

Q.4. Attempt any two of the long answer questions given below:

[24]

- 1) Write in detail the trial of Dr. Aziz in A Passage to India.
  - 2) Write a short essay titled "Intellectual Property Rights" with reference to the prescribed text.
  - 3) What are the general defenses available in the law of torts?
