To WHOM SO EVER IT MAY CONCERN

- I am delighted to recommend Mr. Sanjyot Bhagwanekar for the Master of Law program at your esteemed University. Mr. Sanjyot Bhagwanekar is known to me for the past four years.
- His good behavior and conduct were of a high standard. He is emotionally very stable and his ability to get along with others is excellent.
- Sanjyot owns a high motivation towards achieving more excellence in various events he has undertaken, which includes arranging of various seminars and other curricular programs like Mock Parliament and Moot Court Competitions held in our college.
- As I closely watched his academic record, I found that during the preliminary years he was more involved in sports and cultural activities and had also represented our college in district level Table tennis tournament.
- Coming from a well-educated background, Sanjyot is highly motivated to study in your esteemed university and henceforth I recommend his case for admission.

I wish him luck in all his future endeavors.

Dear Keshao sir,
I wish to pursue a masters degree and I am planning to study abroad for the same. As you are my professor and mentor I need your guidance and support with the letter of recommendation required to apply to the Universities.

The attached file is a draft of Letter of Recommendation made by my counsellor. Kindly review and alter it if necessary. I would require the document to be under the letterhead of our college.

Sincerely,
Harsh Joshi
