Asmita College of Law recognizes the importance of environmental sustainability and aims to create a green campus that fosters a culture of eco-consciousness among its students, faculty, and staff. To achieve this goal, the college is implementing a comprehensive Green Campus Policy focused on various initiatives to reduce carbon footprint, promote sustainable practices, and enhance the overall well-being of the campus community.

Green Zone Establishment:

As part of our commitment to environmental stewardship, designated areas within the campus will be transformed into green zones. These zones will serve as sanctuaries of biodiversity, featuring lush vegetation, native trees, and eco-friendly infrastructure. By creating green spaces, we aim to improve air quality, enhance aesthetic appeal, and provide natural habitats for local flora and fauna.

Restriction on Automobile Entry:

In alignment with our sustainability goals, the college will restrict the entry of automobiles onto the campus premises. This measure aims to reduce carbon emissions, alleviate traffic congestion, and promote alternative modes of transportation such as walking, cycling, and carpooling. Banners and signage will be prominently displayed to communicate this policy to all stakeholders, encouraging them to embrace eco-friendly commuting practices.

Pedestrian-Friendly Pathways:

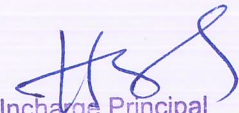

To prioritize the safety and convenience of pedestrians and cyclists, the college will implement pedestrian-friendly pathways throughout the campus. These pathways will be designed to enhance connectivity, accessibility, and overall mobility, creating a seamless network for students and staff to navigate the campus without the need for vehicular transportation. Additionally, dedicated bike lanes and pedestrian crossings will be established to promote active transportation and reduce the reliance on motorized vehicles.

Ban on Plastic Usage:

As part of our commitment to environmental conservation, the college will enforce a ban on single-use plastics within the campus premises. This policy prohibits the distribution and use of plastic bags, bottles, utensils, and other disposable items. Instead, sustainable alternatives such as reusable water bottles, biodegradable cutlery, and cloth bags will be encouraged. Signage and educational campaigns will be deployed to raise awareness about the harmful impacts of plastic pollution and promote responsible waste management practices among the campus community.

Enhancing the campus landscape with indigenous trees, shrubs, and flowering plants is integral to our green campus initiative. Through strategic landscaping efforts, we aim to beautify the campus, improve microclimate conditions, and create green corridors that support biodiversity and ecosystem resilience. Tree planting drives, community gardening projects, and landscaping workshops will be organized to engage students, faculty, and staff in the greening process and foster a sense of ownership and pride in our campus environment.

Resolution: Restricted and Banned Use of Plastic at Asmita Law College Campus

Date: [25th June 2021]

To: All Faculty, Staff, and Students of Asmita Law College Vikhroli

Subject: Restricted and Banned Use of Plastic on Campus

As part of our ongoing commitment to environmental sustainability and responsible stewardship, Asmita Law College Vikhroli recognizes the urgent need to address the environmental impacts of plastic pollution. In line with this commitment, the following resolution is hereby enacted to restrict and eventually ban the use of plastic on our campus.

Resolution:

Restricted Use of Plastic:

Effective immediately, the use of single-use plastic items such as plastic bags, straws, cutlery, cups, and bottles is restricted in campus premises.

Faculty, staff, and students are encouraged to minimize the use of plastic products and opt for environmentally friendly alternatives wherever possible.

Phased Ban on Plastic:

A phased approach will be implemented to gradually phase out the use of plastic on campus.

Over the next academic year (2022-2023), efforts will be made to significantly reduce the use of plastic through awareness campaigns, education programs, and alternative solutions.

Transition to Sustainable Alternatives:

Alternative solutions such as biodegradable or compostable materials, reusable containers, and eco-friendly packaging will be promoted and encouraged.

Campus vendors and suppliers will be encouraged to provide plastic-free options and support our transition to sustainable alternatives.

Campus-wide Awareness and Education:

Awareness campaigns, workshops, and educational programs will be conducted to educate the campus community about the environmental impact of plastic pollution and the importance of reducing plastic usage.

Informational signage and materials will be prominently displayed across campus to remind individuals of the plastic restrictions and encourage responsible behavior.

Compliance and Enforcement:

Compliance with this resolution is mandatory for all members of the Asmita Law College community, including faculty, staff, students, vendors, and visitors.

Campus authorities and designated personnel will monitor compliance and take appropriate measures to enforce the plastic restrictions and promote adherence to the resolution.

Asmita Law College Vikhroli is committed to leading by example in promoting environmental sustainability and fostering a culture of responsible consumption. By collectively reducing our reliance on plastic and transitioning to sustainable alternatives, we can contribute to a cleaner, healthier, and more sustainable future for our campus and beyond.

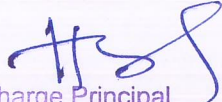

Thank you for your cooperation and support in this important endeavor.

Sincerely,

Translation of Appreciation Letter

Subject: Appreciation for Clean and Environmentally Friendly Premises

I hope this letter finds you well. I Smt. Mala Vikram Nair, Ex-Municipal Councilor of Ward No.118, Vikhroli (East), Kannamwar Nagar No-2. Over the years, I had the privilege of being acquainted with Asmita College of Law, Vikhroli (East), and I am writing to express my sincere appreciation for the outstanding cleanliness and environmental consciousness evident in your college premises.

Every time I visit the college, I am consistently impressed by the pristine condition and environmentally friendly practices maintained throughout the campus. The dedication of your staff and students to ensuring a clean and green environment is truly commendable. It is evident that your institution places a high value on creating a healthy and sustainable learning environment for all.

Thank you once again for setting such a positive example for others to emulate. I wish you continued success in all your future endeavors.

Yours Faithfully,

Mala Nair
